

## **ENVIRONMENTAL MANAGEMENT POLICY**

Power Gas Global Investment Nigeria Limited (PGINL) recognizes that environmental stewardship is essential to sustainable energy delivery and long-term business success. As a processor and distributor of Compressed Natural Gas (CNG), we are committed to conducting our operations in an environmentally responsible manner.

We shall operate in a way that protects the environment, prevents pollution, and promotes sustainable resource use.

### **Our Commitments**

PGINL shall:

#### **➤ Environmental Protection and Pollution Prevention**

- Protect the environment, including prevention of pollution related to gas processing, storage, and transportation activities.
- Manage emissions, waste generation, and resource consumption to minimize environmental impact.
- Promote energy efficiency and sustainable operational practices.

#### **➤ Compliance Obligations**

- Comply with all applicable environmental legal and regulatory requirements and other obligations including ISO 14001:2015 standard
- Integrate environmental considerations into planning, procurement, and operational decision-making.

#### **➤ Environmental Risk and Impact Management**

- Identify environmental aspects and assess associated impacts of our activities, products, and services.
- Implement appropriate controls to manage significant environmental aspects.
- Prepare for and respond effectively to environmental emergencies.

#### **➤ Resource Efficiency and Sustainability**

- Optimize use of energy, water, and materials.
- Encourage waste reduction, reuse, and responsible disposal practices.
- Engage suppliers and contractors in environmentally responsible practices.

➤ **Continual Improvement**

- Establish measurable environmental objectives and targets aligned with our strategic direction.
- Monitor environmental performance and evaluate compliance.
- Continually improve the effectiveness of our Environmental Management System.

This Environmental Policy is communicated within the organization, made available to interested parties, and reviewed periodically to ensure ongoing suitability and alignment with our strategic direction.
